

Warren County 4-H Clubs 2023-2024

The Warren County 4-H Program is open to youth 5-18 years old. We have 4-H clubs located in schools, in the community, and at the Warren County Extension Office. Our goal is to have a club in every school/community. If you or someone you know is interested in being a 4-H Club Leader, please contact Janet or Julie at 270-842-1681 to learn how to establish a 4-H club in your school.

Below is a list of 4-H clubs offered in Warren County. After reviewing the clubs, hover the camera of your phone over the QR code or link below and click on the survey that pops up. At this point you are indicating your interest in joining a club/project. **This does not enroll your child in 4-H but places them on a reminder list for club meeting date and time. Also, to join the Art Club, Cooking and Art 2 Dream clubs you have to call in starting on September 5th at 9:00 a.m.** Some of our clubs have a maximum capacity and not everyone will get to join a particular club. **Please complete this QR code or link by Friday, September 8th.** *Link:*
