What Do Homemakers Do?

- Over 20,000 Volunteer Service Hours
- Donate annually to Ovarian Cancer Research at University of Kentucky
- Help raise funding for community projects
- Help sponsor a scholarship at WKU
- Become active leaders in the area

Membership Fees

Dues: \$11.00

Join an existing club— Attend regular meetings usually monthly, day or night.

Form a new club—

Minimum of 5 people-call for information! Form a special interest club-book club, quilters, scrapbooking, cooking-you decide!

Enroll as a mailbox member—

Receive information in the mail and attend activities as your time allows-no regular or monthly meetings to attend.

A \$1 contribution is included in dues for the Kentucky Ovarian Cancer Research Fund. Extension Homemaker members, age 50 and above or with family cancer history, are eligible to receive free ovarian cancer screenings at the Markey Cancer Center in Lexington, KY.

University of Kentucky

College of Agriculture, Food and Environment Cooperative Extension Service

Educational programs of Kentucky
Cooperative Extension serve all people
regardless of race, color, age, sex, religion,
disability, or national origin.

Why Should You Join Homemakers?

A homemaker's club is a terrific place to meet with friends, socialize and learn new ways to simplify your life. It's a time to share your skills, interests, and learn new and up-to date research all while learning and becoming leaders in our community.

The Kentucky Extension Homemakers Association (KEHA) is a volunteer organization that works to improve the quality of life for families and communities through leadership development, volunteer service and education.

Anyone can belong to The Warren County Extension Homemaker Association! It is open to those of any age, race, color, national origin, creed, marital status, gender, or income level! Any full or part-time homemaker, rural or urban are all welcome.
